

Umicore Materials Technology Award 2017

CONVINCED OF THE OVERALL IMPORTANCE OF RESEARCH & DEVELOPMENT FOR FUTURE GROWTH AND PROSPERITY, UMICORE HAS ESTABLISHED THE “UMICORE MATERIALS TECHNOLOGY AWARD”.

With this award, Umicore wants to recognize original scientific contributions at PhD-level in the following fields:

- Recycling / resources scarcity (related to metals)
- Materials for catalysis
- Materials for batteries

A partnership has been established with “Fonds voor Wetenschappelijk Onderzoek - FWO” and “Fond de la Recherche Scientifique – FNRS” to carry out the selection procedures.

For more information: an.vandevel@umicore.com - <http://www.umicore.com/>

Regulations and application forms can be found on <http://www.fwo.be/> and on <http://www.fnrs.be/>

In 2017 Umicore will grant a “Umicore Materials Technology Award” - amounting to 10,000 euro - for a PhD degree obtained between January 1, 2015 and December 31, 2016 at a recognized university (worldwide).

Deadline for applications is July 3, 2017
